

## Introduction of laureates

Podlaskie Mark of the Year competition allows showing special pearls of the region as well as convinces inhabitants of the cultural, natural and economic wealth of Podlaskie Voivodeship. In this connexion, 'The Gate of Podlasie' editorial office created a brand new section named 'Laureates', devoted to laureates of Podlaskie Mark of the Year both 2004 and 2005 editions.

This section contains the most important information about distinguished tastes, places and ideas. Laureates, who filled a special questionnaire and sent it to the editorial office, may present their products themselves. The information is enriched with e.g. pictures of the product as well as necessary particulars about its producer / organizer.

An information and promotional campaign of Podlaskie Voivodeship "Podlaskie's turn" began this year – this is a perfect opportunity to promote the best MARKS of our region.
