

FOSTERING ENTREPRENEURSHIP COMPETENCE

Date: 5 October 2020, 11:30-13:00

Venue: Online (zoom)

Entrepreneurship Education is a pillar to build the Europe of tomorrow. Thousands of European students are developing their entrepreneurial skills, solving problems they spot around them, and contributing with their imagination to develop their territories. European regions and cities are key stakeholders in the implementation of the EU Entrepreneurship Competence Framework. This year being the 30 anniversary of Interreg, the workshop will also tackle the cross-border dimension of the topic.
